

## Course Name

Strategic Management of NGOs- **Risk & Disaster Management**

## Course Overview

This course provides professionals working in non-governmental organizations (NGOs) with an understanding of risk and disaster management and explores how a disaster impacts volunteers, staff, benefices, suppliers, the general public and their NGO's value before it strikes.

## Course Objectives

This course employs videos, PowerPoints, group work, exercises, ice breakers, energizers, brain storming, and wall museums to help learners build and strengthen their understanding of risk and disaster management.

## Who Should Attend

## Course Duration

2 days
